Local Event

Holidays at Filoli

There's no shortage of holiday magic in the Bay Area, and one of our favorite experiences is Holidays at Filoli Gardens. Step into the charm of the historic House, adorned in festive decor, and wander through the winter Garden, where inspiration glows at every turn. Don't miss their additional holiday offers like the Ballroom Signature Lounge and Flora Parties like wreath making and more. Immerse yourself in a dazzling holiday wonderland with stunning light displays that bring Filoli's beauty to life in new and enchanting ways.

What Residents are Saying

Kate L.

"As someone who has disabilities, finding a new apartment that meets my needs can be incredibly hard and time consuming. A lot of property managers don't understand, or care, and it can be a demoralizing process. But out of the fifteen buildings I toured recently, my experience with Melanie really stood out in a positive way. She was friendly, responsive, curious, caring, and reasonable, and that made a big difference in my day and week. She took the time to get to know me and my needs and was genuinely personable with a joie vivre I have rarely seen in the world of real estate, which so often ends up burning out under-resourced leasing agents at the hands of transactional corporate overlords. Even when the unit I applied to had an issue and didn't work out, she was committed to resolving it for whoever did apply to the unit next - which gives me a lot of hope for the people who do live there. I hope North Coast knows how lucky they are to have someone so committed to caring for their community."

This December, Aperture San Bruno is proud to partner with a local food bank to help fight hunger in our community. From 12/01 to 12/31, we'll be collecting food donations both online and in person to support those in need during the holiday season. Let's come together to make a difference!
