Cozy Bites

75 of you stopped by for an evening of pie and charcuterie, and it was such a joy to see everyone come together. Melanie—our amazing host—was so busy taking care of you all that she barely had a chance to snap any photos.

What Residents are Saying

Zulsar B.

"I have lived in two different apartments at Aperture, and it's by far the best managed complex I have experienced in the Bay Area over the years. Both Miguel, the previous manager, and Melanie, current manager, are highly professional, excel at their jobs, and genuinely care about their residents. They promptly address any issues, pay close attention to detail, and always go above and beyond. The entire process of moving between apartments and eventually moving out due to school enrollment has been completely seamless for me. Melanie has also always been wonderful to talk to and I'll really miss seeing her."
