Ice Cream Party

On September 25th, we swapped our planned s'mores night for one last ice cream party of the year! With the Bay Area temperatures still perfect, residents enjoyed sweet treats, sunny vibes, and a fun afternoon connecting with neighbors.

What Residents are Saying

TL

"It has been an incredible experience for my wife and I to live at the Aperture apartments. Personally, no residential building has ever paid such meticulous attention to each resident's wants and hospitality.

Melanie the business manager is extremely helpful, my move in was easy and seamless because of her. She has been diligent and super delightful to connect with during my time here.

Carlos the maintenance supervisor always go above and beyond whenever I submit a maintenance ticket in the portal and making sure they are handled quickly. I am blown away by his work ethics.

Also, shout-out to Miguel for always being enthusiastic and planning some of the best community gathering events!"
