We're off to an amazing start this year at Aperture! A huge congratulations to our community for winning 3rd place in the North Coast Food Drive with an impressive 10.04 pounds of food donated per unit—way to make an impact! In addition to this accomplishment, our staff volunteered at a Second Harvest event, and we hosted a fun-filled Bingo Night with our residents.

## What Residents are Saying

### TL

"It has been an incredible experience for my wife and I to live at the Aperture apartments. Personally, no residential building has ever paid such meticulous attention to each resident's wants and hospitality.

Melanie the business manager is extremely helpful, my move-in was easy and seamless because of her. She has been diligent and super delightful to connect with during my time here.

Carlos the maintenance supervisor always goes above and beyond whenever I submit a maintenance ticket in the portal and making sure they are handled quickly. I am blown away by his work ethics.

Also, shout-out to Miguel for always being enthusiastic and planning some of the best community gatherings

events!"

### Volunteer Day at Second Harvest

Carlos and Melanie are making North Coast proud with their dedication to the community! They kicked off 2025 by volunteering at a Second Harvest event at a nearby elementary school, showing their commitment to giving back. Can you guess who's featured in the photo above? None other than our favorite city councilman, Marty Medina. Here's to starting the year off right!
