January Resident Event

Come mingle with your neighbors, enjoy some delicious slices, and unwind as we celebrate new beginnings together in the clubhouse from 12 to 2 pm or while supplies last.

Holiday Party

Our holiday party was a hit! We had a great turnout and plenty of delicious food to go around, especially the pozole Carlos made, which was completely devoured by the end of the night. The tamales and desserts were enjoyed as well, but the pozole was definitely the star of the evening.

What Residents are Saying

Zulsar B.

"I have lived in two different apartments at Aperture, and it's by far the best managed complex I have experienced in the Bay Area over the years. Both Miguel, the previous manager, and Melanie, current manager, are highly professional, excel at their jobs, and genuinely care about their residents. They promptly address any issues, pay close attention to detail, and always go above and beyond. The entire process of moving between apartments and eventually moving out due to school enrollment has been completely seamless for me. Melanie has also always been wonderful to talk to and I'll really miss seeing her."
