What Residents are Saying

Tak N.

"We would like to thank Carlos Silva, our Maintenance Manager, for his recent work in our apartment. A few days later when we ran into Carlos, he asked us if everything was working okay. Carlos is always courteous, professional & friendly whenever we see him. We are thankful he is our Maintenance Manager at Aperture."

North Coast Employee Awards

We're proud to celebrate our Business Manager, Ruby Ramirez, as a 2025 North Star Award recipient at [North Coast Living](#). The North Star Award recognizes someone who serves as a true guiding light, and Ruby embodies that in every way. At The Blake, her leadership is felt daily — in the way the team supports one another, in the experience our residents have, and in the steady standard of care she upholds behind the scenes. Ruby brings consistency, heart, and intention to this community, and this recognition reflects the impact she continues to make. We're incredibly grateful for her leadership and proud to honor this well-deserved achievement.
