Community News

August is here, and we're keeping the summer momentum going! Thank you to everyone who joined us at our resident events this past month and helped make our community so special. We'd also like to give a continued warm welcome to our newest Leasing Specialist, Olivia. Her enthusiasm, eagerness to learn, and collaborative spirit have already made a wonderful impact, and we're so excited to have her as part of the Aperture San Bruno team.

What Residents are Saying

Michele R.

"I've had such a wonderful experience with Ruby at Aperture Apartments. She's always happy, courteous and pleasant to interact with, which really makes living here feel welcoming. Ruby is professional, responsive, and quick to help with anything from maintenance requests to club house reservations. She also does a great job keeping residents informed about upcoming events, building maintenance updates, and any community concerns. Every interaction I've had with her has been positive, and I appreciate all the care and effort she puts into supporting the residents here.clubhouse"

Pet Of The Month

Casting Call!

Calling All Furry (& Furless) Residents!

Is your pet ready for their close-up? We are currently looking for new stars to feature in our Pet of the Month. We love celebrating the four-legged (and feathered!) friends that make our community so special in our monthly newsletter.

If you'd like to see your pet featured in an upcoming newsletter, simply let the office know with a cute photo and a fun fact or two (like their favorite treat, a funny quirk, or their "vibe"). Let's make your best friend a local celebrity! Reach out to the team at aperture@northcoastliving.com.

Living Well

San Francisco Marathon-A Bucket List Marathon!

The San Francisco Marathon has challenged runners since 1977, but it was the addition of the Golden Gate Bridge to the course in the mid-1980s that transformed it into an internationally recognized race. Running across one of the world's most iconic bridges—closed to traffic for the event—is a once-in-a-lifetime experience.

Known for its rolling hills, unpredictable weather, coastal winds, and unforgettable Bay views, the 26.2-mile course is as rewarding as it is challenging.

Thinking about running the 50th Anniversary next year? Start your training close to home in Aperture's fitness center, then take your miles outside to explore the beautiful Bay Area. Your next finish line could be just one year away.
