

## Community News

As we welcome November at Aperture, we reflect on the fantastic Halloween event we hosted, featuring delicious Hawaiian BBQ. With just two months left in 2024, it's time to think about how you want to spend this precious time—whether it's connecting with neighbors, enjoying our community events, or simply savoring the season. Let's make the most of these final months together!

## Living Well

### Volunteer Day

Last month, our dedicated staff members, Melanie and Carlos, volunteered at the Second Harvest Food Distribution at Belle Air Elementary School. Second Harvest's mission to end hunger in our community is one we proudly support, providing food to families, multi-generational households, seniors, and college students. A big thank you to Melanie, Carlos, and all the volunteers, and supporters making a difference!
